

RESEARCH INTERESTS	Microeconomic Theory, Information Economics	
EDUCATION	Renmin University of China B.S. in Mathematics and B.A. in Economics	Beijing, China 2023 – 2027 (expected)
	- GPA: 3.89/4.00 - Coursework: Stochastic Processes (98), Econometrics (97), Functional Analysis (96), Measure and Integration (96), Game Theory (96), Mathematical Statistics (96)	
WORK IN PROGRESS	Voluntary Simultaneous Price Discounting (with Zhonghong Kuang and Dong Wei)	2026
RESEARCH EXPERIENCE	Research Assistant Project: Incentivizing Knowledge Transfers [arXiv]	2025 – 2026
	Theory Reading Group at Renmin	2024 – Present
TEACHING	Theory of Industrial Organization Teaching Assistant for Zhonghong Kuang	2025 Fall
AWARDS AND HONORS	Finalist , COMAP's Interdisciplinary Contest in Modeling Academic Excellence Scholarship , Renmin	2024
	Undergraduate Research Grant , Beijing Scholarship for Outstanding Students in Integrative Innovation , ICBC	2025
SKILLS	Languages Standardized Tests Mathematics Programming	Mandarin (native), English (fluent), Hakka Chinese (native) TOEFL: 110 (R30, L30, S23, W27) CET-6: 670 GRE: 331 (Quant 170, Verbal 161) Measure Theory, Functional Analysis, Stochastic Processes Python, Stata, MATLAB, R, C/C++, $\LaTeX$
